- I ask that the Subcommittee ask staff to draft language for the full FOIA Council's review following the principles outlined by stakeholder groups that would maintain and guarantee public access and requiring video.
 - I support all bodies having electronic meeting authority and/ **or**
 - I support state boards, regional bodies, and local non-elected bodies having electronic meeting authority to accommodate people who face challenge to in person attendance, such as disability, childcare issues, or transportation issues
 - If there is a desire to impose a limit, a 2 meetings or 50%, whichever is greater, guideline would be a reasonable compromise.
Voting should be allowed during electronic participation.
